 ENLACE

Dear Friend of ENLACE:

At the ENLACE Gala we had a wonderful time celebrating the launch of our new program, ENLACE Nepal. Over 90 people attended and the wonderful band, The Hollybells, donated their time and talents to provide beautiful music. Scarves and bracelets direct from Nepal, along with delicious cuisine, made the night a festive success.

During the evening, we asked for help to **“Go the Distance”** from El Salvador to Nepal. We are so overjoyed to report that we met our first fundraising goal of **\$100,000** in gifts and pledges. A huge THANK YOU to those who gave leading up to and including the gala night! We are so grateful to you and appreciate our continued partnership!

Gala guests of honor, Tina Pun Magar and Sam Joy Shahu, ENLACE’s Nepali program directors, told us about the challenges that Nepal faces and shared the vision they hope to see incarnated among Christian leaders as they serve the poorest populations in their country.

We saw an incredible, eye-opening video (available at www.enlacenepal.org) that described the struggles in Nepal and the strong similarities to the situation ENLACE encountered over twenty years ago in El Salvador:

Executive Director, Ron Bueno noted that even though the **challenges may seem insurmountable, real solutions are absolutely possible.** “We know that through deep commitment, a clear strategy and God’s leading, we can provide effective solutions to people in extremely impoverished situations.”

A network of churches in El Salvador working with ENLACE is currently serving 20% of their poorest populations, **measurably saving and improving their lives every day.** We will continue this good work in El Salvador with a vision of reaching 25% by 2020.

The launch of ENLACE Nepal will expand our commitment to the world's poorest. With YOUR help we know we will report breathtaking success in Nepal in the years to come!

Donating to ENLACE is an effective way to express YOUR commitment to saving and improving the lives of the world's poorest!
