

“ I think of when Jesus multiplied the loaves and fish...this same thing is happening in our church. As we serve our community, God takes what little we have and makes it into something bigger than we ever dreamed.”

-Pastor Miguel Duran

LETTER FROM THE DIRECTOR

We are so proud to send you our latest Annual Report. Its highlights and financial statements confirm much of what God has already put into motion over the last few years as He's prepared ENLACE for a newmove of His church toward community transformation. Just in the last year, the number of our local church partners has almost doubled, from **11** to **21**, reaching over **45,000** people in **23** impoverished communities. We have met the rapid growth by hiring new staff and by working hard to grow our donor base.

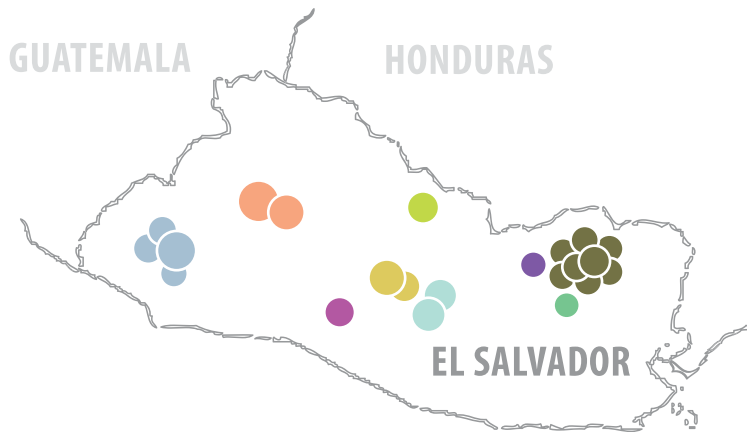

As we strive to keep up with the opportunities, we believe that ENLACE's impact in El Salvador and in other countries will continue to grow exponentially. We have already identified **13** new local churches who are interested in partnerng with us in 2009, and we are building ENLACE's capacity to meet this need.

It is an exciting time to be a part of what God wants to do through His church in El Salvador. We are grateful for those who have responded faithfully by praying for and giving to ENLACE. We thank you for your faithfulness to Him.

Warmest wishes,

Ron Bueno

{ GET INVOLVED }

There are many ways to get involved with ENLACE, from volunteering in El Salvador, creating U.S. church/Salvadoran church partnerships to donating to specific church/community initiatives. ENLACE wouldn't be able to continue to reach and surpass its yearly goal to empower local, Salvadoran churches without the generosity of those who believe in this transformative work. With a \$5,000 donation to the Church and Community program, ENLACE can walk alongside one church, helping it to create and maintain specific initiatives within their impoverished communities for one year.
