equipping churches to transform communities

2006 CHRISTMAS UPDATE

Our annual pastor and church leader's retreat is the highlight of the year for our church and community program. It is a three day retreat that includes seeking God together in prayer, sharing experiences biblical training and planning for next year's initiatives. This year, we invited pastors and church leaders from our four most committed communities.

“ We are now actively fulfilling the integral mission of the church...our goal is that there will be restored relationships between the church and community; relationships of friendship, confidence and trust.”

Marcos Melara. Pastor, San Jose El Naranjo

“ My leaders and I are now thinking how to expand and promote the integral mission in other churches while getting more involved with our community.”

Miguel Duran. Pastor, Las Delicias

“ I learned how to be organized in my church and community. With what we have learned here, we will increase the work of the lord in our community.”

Victorio Paz. Pastor, Community of Abelines

“ I have learned how to be more united with my community and how to be a better leader through service.”

Marleni Gonzalez de Mendez.
Church leader, El Tinteral

“ The church and community program provides the core inspiration and training for all the church and community initiatives to happen.”

Alfredo Vargas. Director of operations, ENLACE
