BELGANAR IS KNOWN AS ONE OF MOST VIOLENT COMMUNITIES BUT THE CHURCH, ALONG WITH OUR COMMUNITY, IS READY TO WORK HARD ENOUGH TO CHANGE BELGANAR’S IDENTITY.

Rev. Bikram Chaudhary, Pastor of Karuna Assembly of God Church, Belganar.
“Up until now I was only taught the inward ministry of the church, but now I know that the church can transform the world.”

Ramesh Kumar, ENLACE Nepal Church Coach
ENLACE Executive Director, Ron Bueno, has been training the ENLACE Nepal team in the Church and Community Process and Project Management. The team is currently working with eight churches in the Dang district and have identified 5 new churches interested in learning to serve their communities in a more effective way.

In 2016 churches worked with community leaders to develop three infrastructure projects in the Dang region:

- Street repair and gutters in Goglee (project in process)
- Bridge and platform construction over a street in Belganar (finished)
- Classroom construction for an agricultural school in Rampur (project in process)
