INDEPENDENT AUDITORS' REPORT

Board of Directors
Enlace USA
Irvine, California

Opinion

We have audited the accompanying financial statements of Enlace USA, which comprise the statement of financial position as of December 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Enlace USA as of December 31, 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Enlace USA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Enlace USA's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Board of Directors
Enlace USA
Irvine, California

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Enlace USA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Enlace USA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on 2020 Financial Statements

The financial statements for the year ended December 31, 2020, were reviewed by us, and we were not aware of any material modifications to the financial statements in our report dated March 30, 2021.

Notes to Financial Statements

December 31, 2021 (audited) and 2020 (reviewed)

1. NATURE OF ORGANIZATION:

Enlace USA (EUSA) is a nonprofit corporation incorporated in the state of California. EUSA is a Christian development organization that exists to alleviate spiritual and physical poverty by equipping local churches to transform communities.

In order to realize this mission, EUSA works to:

- Provide training, coaching, and consulting to church partners to serve effectively their communities
- Provide training and technical assistance to local churches and community organizations to identify, design, manage, and evaluate projects and programs in their communities
- Identify and develop partnerships with local and international organizations, foundations, businesses, and individuals that share a common vision to assist the poor
- Facilitate forums to exchange information, coordinate activities, and create a concerted action among and between church leaders, community members, and other agents of development.

As a not-for-profit organization, EUSA is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). As such, it is also exempt from state income taxes, and contributions by the public are deductible for income tax purposes. EUSA has been classified as a publicly supported organization, which is not a private foundation under Section 509(a) of the Internal Revenue Code. Income for EUSA primarily consists of contributions from individuals, churches, and other organizations.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of EUSA have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The significant accounting policies adopted by EUSA are described below.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

CASH AND CASH EQUIVALENTS

EUSA considers cash on hand and cash on deposit to be cash equivalents. Cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per bank. At December 31, 2021 and 2020, EUSA's cash balances exceeded the balance insured by the FDIC by approximately \$165,000 and \$0, respectively. EUSA has not experienced any losses in these accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

PLEDGES RECEIVABLE

Pledges receivable are recognized as contributions when received and recorded at fair market value based upon estimated future cash flows. Unconditional pledges that are expected to be collected within one year, as well as future years, are currently recorded at the full pledged value. A discount has not been recorded because it is immaterial to the financial statements. As of December 31, 2021 and 2020, management believes pledges receivable are fully collectable.

NOTES RECEIVABLE

Notes receivable consists of a micro-financing loan disbursed in October 2020. The effective interest rate is fixed at 5% accruing monthly, with a balloon payment of the principal and interest due in October 2023.

The provision for loan losses is maintained at a level that, in management's judgment, is adequate to absorb probable loan losses. The amount is based upon an analysis of the loan portfolio by management including, but not limited to, review of the collectability of the loans in light of historical experience, the nature and volume of the loan portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of any underlying collateral, and prevailing economic conditions. As of December 31, 2021, management believes the notes receivable to be fully collectable.

NET ASSETS

The financial statements report amounts by class of net assets:

Net assets without donors restrictions are those currently available at the discretion of the board for use in EUSA's operations.

Net assets with donors restrictions are those which are stipulated by donors for specific programs.

All contributions are considered available for unrestricted use unless specifically restricted by the donor, by time restrictions, or subject to legal restrictions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

SUPPORT, REVENUE, AND EXPENSES

Contributions are recorded when cash or pledges have been received, or ownership of donated assets is transferred to EUSA. EUSA receives gifts-in-kind, which are recorded as support at the estimated fair market value on the date of the gift.

Contributions are recorded as temporarily restricted if they are received with donor stipulations that limit their use through purpose and/or time restrictions. When the purpose restriction is fulfilled or the time restriction expires, the net assets are reclassified from temporarily restricted to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. For contributions restricted by donors for the acquisition of long-lived assets, the restriction is considered to be met when the funds are expended on the intended purpose.

Other revenue is recorded when earned. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

For the years ended December 31, 2021 and 2020, the top five donors gave 55% and 41% of the total contributions received by EUSA, respectively with two donors in the concentration for both years. Management recognizes the risk with this concentration.

3. PLEDGES RECEIVABLE:

Pledges consist of:

7. LIQUIDITY AND AVAILABILITY OF RESOURCES:

EUSA has approximately \$605,000 and \$380,000 of financial assets available at December 31, 2021 and 2020, respectively. The financial assets consist of cash and cash equivalents and the current portion of pledges receivable. EUSA maintains financial assets of at least 30 days of operating expenses.

8. RELATED PARTY TRANSACTIONS:

Grant disbursements were made directly to affiliated organizations Enlace El Salvador and Enlace Nepal, under grant agreements. For the years ended December 31, 2021 and 2020, EUSA disbursed approximately \$1,328,000 and \$1,083,000 to Enlace El Salvador, respectively. For the years ended December 31, 2021 and 2020, EUSA disbursed approximately \$59,000 and \$75,000 to Enlace Nepal, respectively. There were no payables or receivables between EUSA and its affiliate as of December 31, 2021 and 2020.

EUSA paid approximately \$10,000 and \$20,000, respectively, for marketing services provided by two family members of the Executive Director for years ended December 31, 2021 and 2020, respectively.

EUSA paid approximately \$8,000 and \$20,000, respectively, for attorney fees provided by a board member for years ended December 31, 2021 and 2020, respectively.

Approximately \$68,000 and \$42,000 were donated to EUSA by board members for the years ended December 31, 2021 and 2020, respectively.

9. RISKS AND UNCERTAINTIES:

EUSA operations may be affected by the recent and ongoing outbreak of the coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on EUSA's financial position, operations and cash flows. Possible effects may include, but are not limited to, disruption to the Church's donor population and contribution revenue, absenteeism in EUSA workforce, and a decline in value of assets held by EUSA, including receivables and fixed asset. The financial impact cannot be estimated at this time.

In April 2020, EUSA was approved for a Paycheck Protection Program (PPP) loan of approximately \$78,000 through the Coronavirus Aid, Relief, and Economic Security Act. During the year ended December 31, 2020, the entire loan amount met the requirements for forgiveness as set by the Small Business Administration (SBA). During year ended December 31, 2021, EUSA received notice the SBA has forgiven the loan in its entirety.

In March 2021, EUSA was approved for a second draw of the PPP loan of approximately \$77,000 through the CARES Act. During the year ended December 31, 2021, the entire loan amount met the requirements for forgiveness as set by the SBA. Subsequent to year end, EUSA received notice the SBA has forgiven the loan in its entirety.

10. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through July 14, 2022, which is the date the financial statements were available to be issued.
